

services provided by a facility of the uniformed services. This paragraph (k)(2) becomes effective April 1, 1997.

(3) *Special rule for Partnership Program providers.* For inpatient services for which the professional provider services were provided by a Partnership Program participant, the professional charges component of the bill will be deleted from the claim from the facility of the uniformed services. In these cases, the uniformed service facility's claim shall not be considered solely a "facility charge." As an all-inclusive bill, room and board, nursing services and all ancillary services (radiology, pharmaceuticals, respiratory therapy, etc.) are factored into the bill. The third party payer will receive a separate claim for professional services directly from the individual health care provider. The same is true for the professional services provided on an outpatient basis under the Partnership Program. Claims from Partnership Program providers are not covered by 10 U.S.C. 1095 or this part, but are governed by statutory and regulatory requirements of the CHAMPUS program.

(1) *Alternative determination of reasonable costs.* Any third party payer that can satisfactorily demonstrate a prevailing rate of payment in the same geographic area for the same or similar aggregate groups of services that is less than the standard rate (or other amount as determined under paragraphs (f) through (k) of this section) of the facility of the Uniformed Services may, with the agreement of the facility of the Uniformed Services (or other authorized representatives of the United States), limit payments under 10 U.S.C. 1095 to that prevailing rate for that aggregate category of services. The determination of the third party payer's prevailing rate shall be based on a review of valid contractual arrangements with other facilities or providers constituting a majority of the services for which payment is made under the third party payer's plan. This paragraph does not apply to cases covered by § 220.11.

#### § 220.9 Rights and obligations of beneficiaries.

(a) *No additional cost share.* Pursuant to 10 U.S.C. 1095(a)(2), uniformed services beneficiaries will not be required to pay to the facility of the uniformed services any amount greater than the normal medical services or subsistence charges (under 10 U.S.C. 1075 or 1078). In every case in which payment from a third party payer is received, it will be considered as satisfying the normal medical services or subsistence charges, and no further payment from the beneficiary will be required.

(b) *Availability of healthcare services unaffected.* The availability of healthcare services in any facility of the Uniformed Services will not be affected by the participation or non-participation of a Uniformed Services beneficiary in a health care plan of a third party payer. Whether or not a Uniformed Services beneficiary is covered by a third party payer's plan will not be considered in determining the availability of healthcare services in a facility of the Uniformed Services.

(c) *Obligation to disclose information and cooperate with collection efforts.* (1) Uniformed Services beneficiaries are required to provide correct information to the facility of the Uniformed Services regarding whether the beneficiary is covered by a third party payer's plan. Such beneficiaries are also required to provide correct information regarding whether particular health care services might be covered by a third party payer's plan, including services arising from an accident or workplace injury or illness. In the event a third party payer's plan might be applicable, a beneficiary has an obligation to provide such information as may be necessary to carry out 10 U.S.C. 1095 and this part, including identification of policy numbers, claim numbers, involved parties and their representatives, and other relevant information.

(2) Uniformed Services beneficiaries are required to take other reasonable steps to cooperate with the efforts of the facility of the Uniformed Services to make collections under 10 U.S.C. 1095 and this part, such as submitting to the third party payer (or other entity involved in adjudicating a claim) any requests or documentation that

might be required by the third party payer (or other entity), if consistent with this part, to facilitate payment under this part.

(3) Intentionally providing false information or willfully failing to satisfy a beneficiary's obligations are grounds for disqualification for health care services from facilities of the Uniformed Services.

(d) *Mandatory disclosure of Social Security account numbers.* Pursuant to 10 U.S.C. 1095(k)(2), every covered beneficiary eligible for care in facilities of the Uniformed Services is, as a condition of eligibility, required to disclose to authorized personnel his or her Social Security account number.

#### § 220.10 Special rules for Medicare supplemental plans.

(a) *Statutory obligation of Medicare supplemental plans to pay.* The obligation of a Medicare supplemental plan to pay shall be determined as if the facility of the Uniformed Services were a Medicare-eligible provider and the services provided as if they were Medicare-covered services. A Medicare supplemental plan is required to pay only to the extent that the plan would have incurred a payment obligation if the services had been furnished by a Medicare eligible provider.

(b) *Inpatient hospital care charges.* (1) Notwithstanding the provisions of § 220.8, charges to Medicare supplemental plans for inpatient hospital care services provided to beneficiaries of such plans shall not, for any admission, exceed the Medicare inpatient hospital deductible amount.

(i) If a dual beneficiary is first admitted to a Medicare-certified hospital and is later admitted to a facility of the Uniformed Services within the same benefit period initiated by the admission to the Medicare-certified hospital, the facility of the Uniformed Services shall not charge the Medicare supplemental insurance plan an inpatient hospital deductible.

(ii) If a dual beneficiary is admitted first to a facility of the Uniformed Services and secondly to a Medicare-certified hospital within 60 days of discharge from the facility of the Uniformed Services, the facility of the Uniformed Services shall refund to the Medicare supplemental insurer any inpatient hospital deductible that the insurer paid to the facility of the Uniformed Services so that it may pay the deductible to the Medicare-certified hospital.

(c) *Charges for health care services other than the inpatient hospital deductible amount.* (1) The Assistant Secretary of Defense (Health Affairs) may establish special charge amounts for Medicare supplemental plans to collect reasonable costs for inpatient and outpatient copayments and other services covered by the Medicare supplemental plan. Any such schedule of charge amounts shall:

(i) Be based on percentage amounts of the per diem, per visit and other rates established by § 220.8 comparable to the percentage amounts of beneficiary financial responsibility under Medicare for the service involved;

(ii) Include adjustments, as appropriate, to identify major components of the all inclusive per diem or per visit rates for which Medicare has special rules.

(iii) Provide for offsets and/or refunds to ensure that Medicare supplemental insurers are not required to pay a limited benefit more than one time in cases in which beneficiaries receive similar services from both a facility of the uniformed services and a Medicare certified provider; and

(iv) Otherwise conform with the requirements of this section and this part.

(2) If collections are sought under paragraph (c) of this section, the effective date of such collections will be
